--- 1/20th Pound - CANADA LEAF ONLY - Series of 1880-81 ---

3rd BABN Contract (1878-1886) — John McKay records 109,200 *lithographed* copies of "1-20 Green Leaf Ribbon" were 'delivered'. There were no 1/20th pound "Canada Twist Only" or "Tabac Canadien / en Torquette" strips, so all of these "Green Leaf Ribbon" were inscribed "Canada Leaf Only"

4th BABN Contract (1886-1892) — John McKay records in the first TOBACCO section of the 4th BABN Contract the 'delivery' of 10,008 *lithographed* copies of "1/20 lb. Green Canada Leaf"

These were *control-numbered* copies of 1/20th pound CANADA LEAF ONLY released to the Area Collectors in 1886-87, after they had been declared *obsolete* on July 1st 1883, probably *with* the Department's permission to use the residual stock of control numbered 1/20th pound green strips.

Lastly McKay records that 16,476 *lithographed* copies of "1/20 Green Ribbon" were 'Delivered' under the second 'TOBACCO' section **4th BABN Contract**. This second 'TOBACCO' section is a listing of the *obsolete* issues that were 'Delivered' by BABN to the "Inland Revenue Department" in February / March 1888 for disposal. Most of these were French and English Twist and they will be treated as such.

The total is 109,200 + 10,008 = 119,208

The highest control number on the 1/20th pound Canada Leaf Only strips - as collected to date

1/20th pound - Division Open	**032659**
1/20th pound - Joliette Division	**005534**
1/20th pound - Montreal Division	none
1/20th pound - Quebec Division	**000054**
1/20th pound - Windsor Division	**000095**
	38,342
1/5 lb. on 1/20 pound, Quebec Division	**020938**

I am assuming that the control numbers on the 1/5th pound overprints were applied in the 1/5th pound sequence
